

SPELL CHECK

Google Spell Check finds and corrects spelling mistakes!

ONCE TEXT IS ENTERED INTO A WEB BROWSER APPLICATION:

- web-based email
- discussion forums
- intranet web applications

"CLICK" THE GREEN CHECK

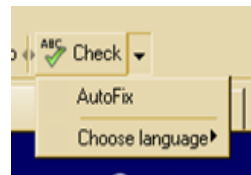

SPELL CHECK RUNS

Incorrectly spelled words appear in red, bold, underlined text. Click a **red** word and choose from the list of suggested spellings, and corrected words turn **green**.

SELECT **AutoFix** from the drop-down arrow

"AutoFix" corrects all text with a single click
